

## Public transport, taxi, rent-a-car...

- 1,15 EUR is to be paid for a liter of unleaded and leaded fuel (BMB 95/MB 98) at city gas stations, and for a liter of Euro Diesel 1,20 EUR;

- Buses in the urban public transport system operate between 5.30 a. m. and 11 p. m... The most frequent lines are covered by buses that operate every 20 to 30 minutes (in the morning and afternoon rush hour every 10 to 15 minutes). All the parts of the city are well covered by the public transport system;

### Bus operators

### Ticket prices

- Taxi services are provided by a few registered taxi-operators. 1,00 EUR is charged before the start, and 0,80-0,90 EUR is further charged for each next kilometer. A kilometer is charged double between 9 p. m. and 6 a. m. All the legally registered taxi-operators mark their cars with their official name, number of vehicle and phone number;

- At the parking spaces in the very city center there are parking ticket machines. A parking hour costs 0,25 EUR in the second parking zone, and 0,50 EUR in the first parking zone;

- Renting an average car from a rent-a-car agency would be charged between 40,00 and 55,00 EUR per day
